

APPLICATION FOR FINANCIAL ASSISTANCE

Thank you for requesting financial assistance to help cover your Malagash Bible Camp fees. We are pleased to be able to give assistance to those who desire to attend camp, but would otherwise would be prevented to do so due to a lack of funds.

When applying for financial assistance, it is important to remember that even the entire camp registration fee does not cover the average weekly operating cost of a camper. Furthermore, any amount of the registration fee you are able to pay will help us continue to operate camp and be able to provide a camping experience for others who also have a financial need.

In the interest of helping as many campers as possible, we are asking you to send the registration deposit (\$100 for week-long camps; \$50 for mini-camps) and the camper's registration form along with the completed application below. Please indicate how much of the remaining fee you are requesting.

Successful applicants will be awarded financial assistance based on their individual need and the funds available in our Kids to Camp Scholarship Fund. We cannot guarantee full support or any specified dollar amount. Therefore, we encourage you to raise as much of it as possible. Please contact the MBC office for fundraising ideas.

Limitations

In an effort to help as many children and youth enjoy a week at camp, financial assistance will only be awarded to campers attending *one* camp session as a camper. Dollar amounts are awarded at the discretion of Malagash Bible Camp and may vary depending on the need of the applicant and funds available. Financial assistance will not be awarded for mini-family camp or family camps.
